Choice®

API SN Conventional Motor Oils

Nature's Choice® API Service SN Conventional Motor Oils are designed to meet the high performance requirements initiated in 2011 automotive lines. Nature's Choice® API Service SN Conventional Motor Oils use high quality petroleum base stocks along with state of the art additive technology to create a high quality motor oil for use in gasoline powered engines. Nature's Choice® API Service SN Conventional Motor Oils provide excellent protection against wear and deposits in the engine, while extending the life of emission control components.

Nature's Choice® API Service SN Conventional Motor Oils formally carry the American Petroleum Institute's (API) SN approvals, and the 5W-20, 5W-30, and 10W-30 viscosities are Resource Conserving and are ILSAC GF-5 approved. The API donut and ILSAC starburst identify oils which have undergone the necessary testing to meet the current automotive specification. These oils are fully backwards compatible to all older API gasoline powered engine specifications such as SM, SL, SJ, etc.

The Nature's Choice® product line was developed in response to President Clinton's Executive Order 13101 which mandated the use of motor oils with re-refined content for government use. Since that time, the Nature's Choice® product line has grown from motor oils to include many other types of lubrication. Blending virgin and re-refined base stocks with quality additive chemistry, Nature's Choice® brand products are able to meet the top performance grades required for today's lubrication requirements, while being more environmentally friendly.

Always follow manufacturer's recommendations for service classification, viscosity grade and drain intervals.

Typical Properties:

Product: Nature's Choice® SN Conventional Motor Oils				
SAE Viscosity Grade	5W-20	5W-30	10W-30	10W-40
API Classification, (ILSAC Classification)	SN (GF-5)	SN (GF-5)	SN (GF-5)	SN
Product Code	151125	151126	151127	151128
Kinematic Viscosity @ 100°C, cSt (ASTM D-445)	8.6	10.9	9.9	15.7
Kinematic Viscosity @ 40°C, cSt (ASTM D-445)	49.7	64.9	64.1	107.4
Viscosity Index (ASTM D-2270)	151	160	139	153
Total Base Number (ASTM D-2896)	7.9	7.9	7.9	7.9
API Gravity (ASTM D-1298)	33.0	33.0	31.7	32.2
Zn (ppm)	850	850	850	850
Ca (ppm)	2100	2100	2100	2100
